camp, which was about the middle of last month, power and authority of military rule. not worse than useless.

On the other hand, it is a matter of congratulation, ness for them. that at present they have sufficient for several diplomacy or settled by force of arms. months, should all communication with that point be cut off by the allies. Our readers may remember false, as proved by subsequent accounts, but utterly absurd, as it now appears that the Russians had not the remotest idea of retreating, and were determined shiny eyes? Take keer-fire away right atween his to remain where they were and defend their position

The story that six hundred Poles had deserted before he left six Sardinians had arrived at the Rusbeing even discouraged, they have gained confidence and self-reliance from their frequent encounters with the allied forces. They have been, he says, greatly underrated; but the allies have by this time found out to their loss that, as Dogberry would say, they are not the men they took them for. It appears now that they are among the finest soldiers in the world, Also, American, French, and English Cassimeres, and and that they are in some respects superior to the French. It is a singular fact that while the English and the French scatter under a heavy fire, the Rusthink of retreating, and rush into battle with an enthusiasm inspired by the deepest feeling of religion. They tell you they are fighting for " their God, their Czar, and their country," and they believe that death fact, they regard it as such, and believe that the greatest sacrifice they can make, is to die on the battle field fighting in defence of their church, of which they regard the Czar, under God, as the head.

The army is composed of Russians, including the Cossacks of the Black Sea, Greeks and Poles. The Extra Long and Square Bay State, Merino Broche and proportion of the Poles is not so large as has been reported, but the Greeks are very numerous, and are among the best and bravest in the whole army. The Russians, without exception, actually believe that it is a holy war against the "infidel Turk," in which bons, Gentlemens and Ladies Under Garments, Shirts, Cra- they are engaged, and whenever any unfortunate Mohamedons fall into their hands, they are killed at once-the idea of giving them quarter never entering the mind of the Russian soldier. The Greeks, besides the religious feeling which animates them, are urged on by their national animosity against the

feeling of respect was entertained by the Russians for have destroyed them but for the French. It is against the French we fight. If we had to do only with the English, we would have swept them off the earth before this."

eves. Bully big buck, dat!' No sooner said than done. I blazed away, taking as straight aim as a from the Russian army, Dr. Davega informed us, is buck ague can take. To my astonishment, the two not worthy of the slightest credit. A few may have balls of fire, which did not seem twenty yards off, eserted, but he assured us that the cases of desertion never blinked, but stood gazing on me unflinchingly on the other side were more numerous, and the day while old Joe, furiously waving the pine knots, kept sian camp. The army, too, instead of being demo- mas'r! Gib him todder barril!' I let rip the left on whispering a la Bowery theatre-'Fiah, fiah 'way ralized, is in as perfect a state of order and discipline hand barrel. No use. There they gleamed—those red eyes-glaring savagely at me-unshaken, firm. What an awful fire there was in them! 'I say, Pig, said one of the company, 'did you load your gun ? 'No!' said I, 'the Colonel told me I had better take his, and that it was ready loaded. 'Let me load it, says he. Still keeping my eyes fixed on those two deer eyes, which from two eyes began to grow into four eyes, and lost in astonishment at this phenomenon, the gun was handed back to me. I took aim once more, let drive, and-there still sparkled those sians flock together and cling to each other with a desperate, maddened by my terrible shooting, and by awful eyes-the left hand one especially. Rendered tenacity that knows not when to yield. They never the stoicism displayed by that buck, I swore like a deaf and dumb trooper-silently; and telling old Joe in a whisper to creep up nearer, I prepared to give the beast the benefit of the left hand barrel No go nearer, mas'r. Fiah! Fiah quick, while demmed old buck skeered!' Again I took aim, coolly and deliberately as I could, pulled trigger-chip bang Oh, horror! for yards around pecks of fiery, flashing light burst forth in every direction. 'Knock'd his brains out this time. Pig saw 'em fly, Let's grab the game,' said one of the company. We rushed up pell-mell. I had drawn a terrible large knife in order to cut up the deer, when one loud laugh broke from the whole company, as old Joe held up, in the full glare of the pine knots, the smashed remnants of a big squash! It had been hollowed out, two holes cut in it for eyes, and a light put behind it and stuck up on an old cotton-wood stump, by some one-nobody knew who! Sech laughter - sech yelling! Old Joe put the pine kaots down on the ground, and broke for a palmetto patch. where occasional bursts of thunder were heard, as if Turk, and they never omit an opportunity of wreak- carth. We got back to Tiger-Cat, and the Colonel, ing their vengeance upon them for the centuries of who stood at the door to welcome our return, when Orders directed to us, or left with J.
